RULE/STATUTE VIOLATION(S)

VIOLATION(S)

19 CSR 30-62.082 (5)(B)

Kitchens used for meal preparation shall have sufficient equipment to accommodate the licensed capacity of the facility. The equipment shall include a stove, sink, hot and cold running water, a refrigerator and storage space for food, dishes and cooking utensils.

CONCLUSION SUMMARY

During this investigation, CCFS Chaz Crabtree observed that within the kitchen there was a microwave, a convection oven and an electric skillet. However, there was no stove which is a requirement per SCCR regulations. Gingerbread House Daycare does not possess an approved variance for not having a stove.
