Re: Moose

Chief Zimmerman:

The City of Archie's canine officer has recently been hired by your department to fulfill the same role in your jurisdiction. It is our desire that the canine team of your incoming Officer, Kenneth Massa, and his canine partner, Moose, not be separated. To accommodate this, the City of Archie is willing to transfer Moose to your department with no compensation.

Please feel free to let me know if this arrangement is acceptable to you. My direct number is (816) 392-0928.

We are interested in Officer Massa and Moose continuing to be available for service as needed in Archie.

Sincerely,

Les Whiteside
Mayor, City of Archie
