Summary of Investigation: (Smith)

Allegations:

On January 12, 2012, a complaint was received alleging that Sammy Glenn (Audrey Glenn's brother) threw 2 chairs at Mahogany Jordan (staff in Toddler B classroom) causing her to get 4-5 stitches in her forehead. A police report was made (Officer Gwaltney-incident number 12-1763). Mr. Glenn was arrested.

On January 19, 2012, CCFS Nancy Smith and CCFS Katherine Knight, arrived to the facility to investigate the complaint. During this time, it was observed that the cots in the preschool classroom did not have a 2 ft. aisle on one long side of the equipment.

Interview with Audrey Glenn, Assistant Director:

On January 19, 2012 Audrey stated on the date of the incident, January 11, 2012, she was having a discussion in the office with employee Chrystal Hill regarding rumors involving a parent. The conversation turned physical as Crystal began to hit and punch Audrey. Deanna McOwan, director, called the police and Chrystal left the facility. Audrey stated that she called her brothers to come to the facility. While the police were present investigating the fight in the office, Audrey's brothers arrived to the facility. She stated that she then tried to calm her brothers down while they were outside. Then she said, she noticed the cook, Margaret, went outside and was talking to her brothers. They then walked into the building and proceeded into the classroom. Audrey said she followed them into the classroom. Audrey stated that after an exchange of words, her two brothers were about to leave when Mahogany then said "I will set you ****'s up!" At that time, Audrey and one of her brothers was out of the classroom, however, Sammy was the last one and he turned around and returned into the classroom and grabbed Mahogany by the arm and Mahogany then slipped and fell and hit her head.

Interview with Deanna McOwan, Director:

On January 19, 2012 Deanna stated that once the police arrived to the facility to investigate the fight involving Chrystal and Audrey, Audrey's two brothers showed up. Deanna indicated that she went outside to talk to the brothers and told them that everything was under control and that they could leave. Deanna then returned to the office to continue talking with the police as he was making a copy of the video of the fight in the office. She then heard loud voices and that she went into the two year old classroom and observed Mahogany with teacher Antonette and she was applying pressure to Mahogany's head to stop the bleeding. Deanna then began to attend to the children that were awake in the classroom.

Interview with Mahogany Jordan, Teacher:

On January 19, 2012 Mahogany stated that she was on a break at the time that Chrystal attacked Audrey on January 11, 2012. She then returned back to her classroom after her break. A while later, she said Audrey's two brothers came into the classroom. She said one of the brothers choked her and she fell back and her head was busted and she had to get stitches in her forehead.

Interview with Carda Greenlee, Teacher:

On January 19, 2012 Carda stated she observed Audrey's two brothers come into the classroom on January 11, 2012 and that one of the men said "this is some set-up stuff." Audrey then grabbed her brother and said "not here, not in front of these kids." One of the men said something to Mahogany and Mahogany replied back. Then the one brother grabbed Mahogany and slammed her head against the wall and she fell. She assisted in cleaning the wound. She said there were 4 children in the classroom at that time.

Interview with Mickayla Guliford, Teacher:

On January 19, 2012 Mickayla stated that she was in a different classroom when the incident took place on January 11, 2012, however, she observed the incident through the glass partition. She saw 2 men go into Mahogany's class and one of the men was pointing his finger at Mahogany. The men then walked out. Then one of the men came back, pushed Mahogany and picked up a chair. She did not see anything further.

CCFS Nancy Smith and CCFS Katherine Knight observed the following on the video;

- Two men, identified in the police report as Samuel Glenn and Erise Glenn, enter the classroom along with Audrey Glenn and cook Margaret
- Observed confrontation with teacher Mahogany. Then they all exited the classroom.
- One man, Samuel Glenn, then returned into the class, grabs Mahogany in the neck area, and she fell to the floor. He then grabbed a chair. Audrey came back into the class and intervened

Police report received on January 23, 2012 states that while Officer Gwaltney was investigating an earlier incident at the facility, he responded to classroom 16 and discovered a large disturbance. He discovered Audrey Glenn contacted her brothers and advised them of the earlier incident. The report states that Audrey Glenn walked her brothers, Samuel and Erise Glenn, back to the classroom and confronted Chrystal's friend Mahogany Jordan. After a short argument, the surveillance shows Audrey and both of her brothers exit the classroom. Several second after they exit the classroom, Samuel Glenn re-enters the room, runs toward victim Jordan, grabs her by the neck and slams her head into the counter causing a deep laceration on her forehead. After she falls to the ground, Samuel picks up a small chair as to strike her with it, however, Audrey and the other brother entered the room and stopped him from further action.

On January 26, 2012 CCFS Nancy Smith and CCFS Katherine Knight arrived to the facility to continue to investigate the complaint received on January 12, 2012. It was observed that the I/T unit was out of ratio as there were 8 children with 1 staff. The second caregiver was out of the classroom and in the laundry room.

Disposition: Substatianted:

19 CSR 30-62.092(1)(B)D states: "Sleeping equipment shall be arranged to provide at least a two foot (2") aisle on one (1) long side of the equipment."

On January 19, 2012, CCFS Nancy Smith and CCFS Katherine Knight, observed the cots in the preschool classroom did not have at least a 2' aisle on one long side while children were napping. The cots were very close together, causing difficulty for staff and children to walk through the classroom.

19 CSR 30-62.112(1)(A) states: "Birth through Two (2) years. Groups composed of mixed ages through two (2)-years shall have no less than one (1) adult to four (4) children, with no more than eight (8) children in a group."

On January 26, 2012, CCFS Nancy Smith and CCFS Katherine Knight, observed one staff with eight (8) children in the I/T unit.

19 CSR 30-62.102(1)(M) states: "Any person present at the facility during the hours in which child care is provided shall not present a threat to the health, safety or welfare of the children."

According to statements received on January 19, 2012, Samuel Glenn physically attacked teacher, Mahogany Jordan, while children were present in the classroom. According to video surveillance observed on January 19, 2012, it was observed that Samuel Glenn physically attacked teacher, Mahogany Jordan, while children were present in the classroom. According to the police report received January 23, 2012, it is documented that Samuel Glenn attacked Mahogany Jordan while in the classroom during childcare hours.

Corrections:

1. Facility must maintain an arrangement of sleeping equipment that allows at least a 2' aisle on one long side during nap time. This was corrected on site on January 19, 2012.
2. Facility must maintain ratio at all times in the I/T unit. This was corrected on site on January 26, 2012. Additional unannounced inspections will be conducted.
3. All staff must review licensing rule **19 CSR 30-62.102(1)(M)** and sign a statement of understanding to be submitted to SCCR by March 31, 2012.
4. Facility must ensure that no person present at the facility during child care hours presents a threat to the health, safety or welfare of the children.

5. Facility must include in their Disaster Emergency Plan, a plan of action for persons that pose a threat to the health, safety or welfare of the children and staff to be submitted to SCCR by March 31, 2012.
6. An FRC will be scheduled.

Allegations:

The reporter stated that the facility is often out of staff/child ratio and on January 6, 2012, there was one staff person with 10 two year olds and another staff person (on the other side of the room) with 9 two year olds.

Summary of Investigation (Knight):

On January 10, 2012, CCFS Katie Knight and Shanna Fowler made an announced inspection to the facility. CCFS Knight and Fowler observed a video from January 6, 2012 of a two year old classroom. It was determined from the video that the ratio was one caregiver to ten two year olds (1:10). It was also determined that the caregiver, Cherita Ricks, left the classroom at approximately 10:09 (taking one child with her) and returned to the classroom at approximately 10:38. It was observed on the video that the teacher in the classroom on the other side of the half wall divider would occasionally look over to monitor Cherita Ricks' classroom while she was absent.

On January 19, 2012, CCFS Katie Knight and CCFS Nancy Smith made an unannounced inspection. During the inspection, it was observed in the preschool classroom that the cots did not have a two foot (2") aisle on one long side of the equipment. This was corrected on –site.

On January 26, 2012, CCFS Katie Knight and CCFS Nancy Smith made an unannounced inspection. It was determined that in one of the infant/toddler classrooms the ratio was one caregiver to eight infants/toddlers (1:8). The second caregiver had left the classroom to go to the laundry room, leaving the room out of ratio. This was corrected on-site and discussed with the provider that the infant/toddler until must remain in ratio at all times.

Disposition: Substantiated Rule Violations

Based on the information above, the allegations of this complaint are substantiated and the following rule violations are substantiated:

19 CSR 30-62.092 (1)(B)(D) stating: "Sleeping equipment shall be arranged to provide at least a two foot (2") aisle on one (1) long side of the equipment."

AND
(B) Age Two (2) Years. Groups composed solely of two (2)-year olds shall have no less than one (1) adult to eight (8) children, with no more than sixteen (16) in a group.

- *On January 26, 2012, CCFS Katie Knight and CCS Nancy Smith observed one of the infant/toddler classrooms out of ratio. The ratio was one caregiver to eight infants/toddlers (1:8).*
