G.J.W. Lives with his Nana and Grandpa. G.J.W. says he has a Mom and does not live with her because she is in jail. G.J.W. says his Mom is in jail because of credit debt and she does drugs. His Moms name is Natalie Webb.

G.J.W. said he knew he is being interviewed to talk about what happened to the girls. When asked what happened to the girls he said that they got molested. Interviewer asked what G.J.W.'s definition of molested is and he said it means stick something up there and he pointed in between his legs and then said their vagina.

When asked who all that happened to he said M.D.W. and M.L.W. and sometimes C.J.W. When asked what happened to C.J.W., G.J.W. made a hand gesture that indicated masturbation. When asked again to explain what was happening to C.J.W., G.J.W. made another up and down hand gesture again which indicated masturbation. When asked who was doing that to C.J.W., he said he did not know but Mom was getting paid.

He said she was selling sex from M.D.W., M.L.W. and C.J.W.. G.J.W. said he would run and hide in the dumpster. He said he lived in Elk City in a house but he calls it an apartment when this was happened. When asked to clarify what Mom was selling G.J.W. said sex from the kids. When asked who she was selling sex to he said, like her friends. He said he forgot the names of the friends, but he would recognize them if he saw them.

When asked what would make him run he said his Mom would hit him and stuff and C.J.W. would be thrown into the wall and stuff. When asked if it was just the hitting that would make him run or the sex stuff he said the hitting and the other stuff would make him run.

When asked how he knew about the sex stuff that was going on, G.J.W. said he heard the screams, yells, "Momma stop it hurts" and M.L.W. told him that she was bleeding whenever she got out. When asked about hearing them scream and what would be going on, G.J.W. said they would be locked in Mom's bedroom and in their bathroom and they would scream "stop Momma stop it hurts." When asked if it was just his Momma in there with them he said some of her friends too. When asked if the friends were just guys or girls G.J.W. said guys and girls. He said M.D.W. and M.L.W. were always in there together not one at a time. He said Mom was always in there with the girls when this was happening. When asked what he did when M.D.W. and M.L.W. were in there screaming and crying , G.J.W. said he did not go in there and the door was locked even if he wanted to go in there.

**Facts & Circumstance that support probable cause to arrest the above named person are**

The interviewer asked G.J.W. how he knew it was selling sex and how did he know about that. He said because he walked in there one day and he saw it. He was asked what he saw and G.J.W. said he saw the girls getting that with what the girls call a man stick. He said it's a rubber "wenus", its rubber and it's shaped like a "wenus". He said its nasty talking about it. He said M.D.W. and M.L.W. call it a man stick, he doesn't know why they call it that.

He saw it happening one time. G.J.W. was asked to explain exactly what he saw the one time he walked in and saw this happening. G.J.W. said my Mom was like this (and he stood up) the girls were getting hold down and my Mom was shoving the dilly up their "vajayjay". He said "vajayjay" is the same thing as vagina. When asked if Mom was standing then who was holding the girls down, G.J.W. said no, my Mom was holding the girls with one hand like this and the other hand was doing that (G.J.W. acted out this entire description using hand gestures to motion something being held down with one hand and using his other hand to gesture something being pushed into what was being held down) He was asked how wear the girls clothes during this and he said they were off.

He said he remembers seeing his Mom doing this to M.D.W. when he walked in. G.J.W. said I almost puked when I saw this. He was asked if his Mom said anything to him when he walked in on this and he said his Mom said "GET OUT OF HERE!" He said there were other people there when his Mom was doing this. He said the other people were standing there watching them and "stuff". When asked what "stuff" means he said just standing there watching.

He said he remembers adult girls and boys being there watching. He did not see any of the other adults doing something to the girls, just his Momma.

When asked what he thought about what he saw, he said I almost puked and then I closed the door and then I went to the toilet and he started making gagging noises.

He was asked if he thinks C.J.W. ever saw those things happening and he said yeah because it happen to him I think too. When asked about what happened to C.J.W. he again gestured. He held up one finger and said this is C.J.W.'s thing and used the other hand to make a hand gesture that suggests masturbation on his finger. He said people's hands would do what he was gesturing or there was this thing that was rubber that had a hole through it and they were doing this to it (he was again making a hand gesture suggesting masturbation).

When asked who would be doing this to C.J.W. he said he saw men and mama and a girl also, and adult girl. When asked what they were putting on C.J.W., G.J.W. said I think it is called a condom.

When asked to draw what they saw using on C.J.W., G.J.W. said it had a hole through it and it had something on the end that looked like a butt crack. When asked what the butt crack part was doing he said it was going in like that and he began to make the same hand gestures as before again. He was asked what he calls the body part they were touching on C.J.W.'s body and he said the "private".

G.J.W. was asked about the clothes of the people that were doing this to C.J.W.. He said one person's clothes were off and that person was his Momma.

He said nothing was happening to his Mother's body at the time she just didn't have any clothes on. He has never seen anyone doing anything to parts of his Mom's body. He said he never saw anyone using the rubber "wenus" on his Mom.

He said he was videoing with his phone but he saw there was a video on there, so he pressed play and he said it showed his Mom doing this up and down (he started bouncing up and down on the couch) on the toilet. He said it was freaky. He said she had the rubber "wenus" suction cupped on the toilet going in and out.

He said he also saw a video on his Moms phone of a real woman and guy doing it. It was freaky. When asked what doing it meant he said the meant, he said you know the "vajayjay", the man's "private" was going in and out of the girls. This was not a video of people he had seen come over to his house before.

When asked if G.J.W. had seen any pictures on his Moms phone he said yeah, a "vajayjay" and "boobs" naked that he thinks are his Moms. He could see his Moms face in these pictures. He just had his Moms phone she was not showing the pictures to him. He said there was more than one picture like this.

He never saw pictures of M.D.W., M.L.W., C.J.W. or any other kids on his Moms phone. Mom had iPhone 4 S. Doesn't know where phone is because Mom is in jail.

G.J.W. said he never saw anyone give his Mom money or anything else after or before anything ever happened to the kids. He said he was pretty sure it was after but he never saw it happen.

G.J.W. said he and C.J.W. never talked about what happened to C.J.W.. G.J.W. said there was never a time that someone made him do something he did not want to. He also said there was never a time that some made him stay there and do something to his body.

G.J.W. said these things always happened at his house and never anywhere else. The address of this house is 516 Nickels at Fairview Village.

Nothing ever happened like this to his cousin G.W., fourteen (14) years old.

G.J.W. said he and G.W. were the first ones to find the rubber "wenus" in the closet with a condom. He said there was a pink one that was small and a clear one that was humongous. He said he thinks the pink one was for the girls. He said he saw his Mom using the pink one on his sisters. He never saw anyone use something else on the girls.

No one has ever touched any part of his body or tired. He was never made to do something to someone else's body. G.J.W. said G.W. was not there when anything ever happened to the girls or C.J.W.. He said he and G.W. knew what had happened to the girls because they found the man stick. G.W. used to live at the house with them. G.W. and G.J.W. think that things were happening to the girls when G.W. lived there but he didn't hear it. G.J.W. said G.W. moved out and then he heard the screaming and crying from the girls. G.J.W. said he never heard the screaming, crying or people coming in and out of the house at night when G.W. lived there because G.W. lived there for a long time but he decided to move out because Mom was being mean, hitting us and stuff.

G.J.W. started to draw the man stick and he said there was a remote that made it vibrate and he knew this because he pushed the button on the remote when he found it in the closet. G.J.W. said the pink one had the ball sacks and the other ones just looked like a straight "wenus". He said that is what he calls a private.

He said when G.W. was living there they found the stuff in the closet and

that's when they thought something was happening to the girls. But when G.W. left was when he knew it was happening to the girls.

G.J.W. said his Mom stole a debit card, took $2000 off of it and then she went to jail for it and then she was doing drugs. When asked what he knows about the drugs he said there was a needle and the police at the police station called it meth. He said he knows about these things because Gina is a District Attorney and she text-ed his Nana and told her that it was described as Meth.

He said he has never seen his Mom do drugs. He has never seen his Mom do anything with needles. He just found them. He found the needles in her purse, closet in the safe where he kept some of his money at. He said and then his money was gone and he had $100 in that safe.

When asked if he knew other types of drugs, he said yeah, there is you know that (as he placed his face down close to the table and made a snorting sound), he said where you smoke (as he made a smoking gesture), and there is pills. He said he does not know anyone that takes any sort of pills.

He said his mother does the smoking kind of drugs. He said he has never seen his Mom smoke but he found this pipe and it smelt really bad. He said the stuff inside of it was making it smell really bad. He said he never has seen or smelt anyone smoking the pipes. He never saw any of his mother's friends smoking anything or taking pills.

He said he did see a small cigarette. And he did not know the name of who was doing that but it was a guy. The guy was in their house when he was smoking the small cigarette and that was when something was happening to his sister. He was smoking it in the living room. **He said when people would come over people would go straight into his Mom's room. His Mom would take the girls in there. When asked how the girls would act when his Mom would take them back to the room he said the girls would pull with all of their force back away from their Mom but Mom would just drag them. It was always both girls and not just one of them.

He said there was never a time that someone was trying to take pictures of his, C.J.W.s or the girls' bodies.

The reason he said he would run to the dumpster was when the sex stuff was

When asked what his Mom would hit him with he said a paddle, spoon or her fist. G.J.W. said his Mom would hit him on the head, stomach, back and even his feet and on his calves. He said when his Mom would hit him it would sting and hurt bad. The paddle had holes through it. When asked if he had any marks or bruises he said he had bruises but they are gone. He said he has also had scratches and stuff when she would hit him.

He said she would hit the girls with the broom on the butt with the metal part of the broom. When asked what would happen to C.J.W., he said she would pick him up; throw him and pick him up; throw him and pick him up; throw him against the wall and keep throwing him. When asked what was going on when his Mom would do this to C.J.W. he said, I don't know. NOTHING. She was just plain 'mean to us." G.J.W. said C.J.W. would have bruises.

G.J.W. said these things would happen lots of times. G.J.W. he thinks when Mom took the needles it would make her act different. He thinks that because she would act weird and her breath would smell funny and her arm would have little dots where it was bleeding (he pointed to his forearm when he said this).

He said his Mom would not feed them and he would have to find stuff and cook it in the microwave or pop tarts and stuff. He gave an example of him sharing 1 pop tart for breakfast because that is all they had. G.J.W. said there were times that they didn't get to eat breakfast, lunch or dinner. He said he was so hungry like so hungry all of them were when that would happen. He said he would tell Mom that he was hungry and there was nothing and she would just crash out on the couch. He said they would just find stuff to eat like cookies. He said they would just look in a cabinet for food and if there was nothing they would just scavenge the floor. On the floor they would find crumbs or cookies that were there from a week ago.

If his Mom had to leave the house either G.J.W. or G.W. would have to take care of everyone. C.J.W. is 8. G.J.W. said his Mom would leave them over night for 2 days and he would take care of everyone. He said there was no one to call if he ever needed food or something. He said he knew his Grandpa Steve's phone number.

Then he said DHS came and got them and Grandpa Steve took them. He said his

Mom has never had a husband but she had a boyfriend and they broke up and the boyfriend never lived there or stay there. He said he never felt safe at his Mom's house due to everything that he has already talked about. He says he feels really safe at Nana and Grandpa Steve's house and nothing has ever happened for him to not feel safe there.

M.L.W. was forensically interviewed by Vicki Boan at the CART House on 08/06/13. The following is a summary of the interview. M.L.W. said her Nana and Grandpa take care of her during the day. When asked what she does with them she says she is safe with them. She said she eats and drinks water with them.

When the interviewer was discussing with M.L.W. that they need to speak the truth in that room, M.L.W. said my Momma "sticked" that man stick down my private.

The interviewer asked M.L.W. to tell about the man stick. M.L.W. said it's kind of blue. When asked what her momma does with it M.L.W. said she put it down my private. When asked what would happen when the man stick was down in her private, M.L.W. said she would throw it in the trash. M.L.W. said she didn't know if the man stick did anything or made sounds.

When asked if the man stick was used one time or more than one time, M.L.W. said more than one time.

M.L.W. lives with Nana, M.D.W., Grandpa and G.J.W.. G.J.W. is her brothers. M.L.W. said her Momma is at jail and then she has to go to two more jails. When asked why her Momma is in jail, M.L.W. said because she did bad things but she doesn't remember what kind of bad things.

M.L.W. said she did not know what house she was at when Momma used the man stick. M.L.W. said her Momma used the man stick on her in her Momma's room. She said her Momma used the man stick on her in the chair. She said her Momma said bad things when her Momma stuck the man stick on her privates.

When asked what kind of bad things her Momma would say, M.L.W. said her mom would say "shut up". Her Momma is Natalie Webb.

The interviewer asked if anyone else has stuck the man stick down on her

When the interviewer asked if her Momma was watching her friends use the man stick on her, M.L.W. said, "She did it to my Momma." The interviewer asked who did it to your Momma and M.L.W. said her friend. The interviewer asked if it was a woman or a man that did that to her momma and M.L.W. stated, "A girl stick it down my Momma's private."

M.L.W. said she saw Momma's friends stick the man stick down on her Momma's private more than one time.

M.L.W. said no one else did anything else to her private. M.L.W. said it felt nasty when they stuck the man stick down on her private.

When the interviewer asked how her private felt when they did that, M.L.W. said, "bleed". M.L.W. said she bled more than one time. M.L.W. shook her head yes when asked if her Momma saw that she was bleeding and shook her head "No" if Momma said anything when she saw that she was bleeding.

M.L.W. said the man stick was purple and then her Momma throwed it in the trash. M.L.W. said nothing else happened at Mommas.

M.L.W. said she felt safe at Momma's. M.L.W. said her Momma and her Momma's friends never told her not to talk about it. M.L.W. said her Momma never used the man stick on anyone else.

M.L.W. repeatedly said she did not want to talk about it anymore. She said she has not talked to another grown up about the man stick. M.L.W. was very adamant not to talk about anything else that happened at Momma's house.
