EXPLORE COLORFUL COLORADO
ONE DISTILLERY AT A TIME

In the West there is an old adage that ‘Whiskey is for drinking and water is for fighting.’ Colorado Distillers tend to be more of the loving type and for that reason, we would love to share our spirits and stories with you. Join us along the American Frontier, where local distilleries embody the spirit of the West, as the Renaissance of Craft Spirits emerge in Colorado.

Colorado has over 50 members of the Colorado Distillers Guild who invite visitors to enjoy beautiful Colorado hiking, fishing, biking, climbing, camping, bird watching or hitting the slopes then finishing the day with a sip of whiskey or a dram of gin.

PICK UP YOUR MAP AT PARTICIPATING DISTILLERIES, THE AIRPORT OR TOURIST INFORMATION OFFICES, A DOWNLOADABLE VERSION IS AVAILABLE ONLINE AT COLORADOSPIRITSTRAIL.COM

HOW IT WORKS

Collect stamps on the map from each participating distillery. Spend money on merchandise, bottles or cocktails at these distilleries to earn a stamp. After visiting 10 distilleries present the stamped map to one of the participating distilleries and ask for a t-shirt. The distillery will mark the T-Shirt icon on the map, give you a t-shirt and bragging rights that you completed the first round of the Colorado Spirits Trail.

THE CHALLENGE

The first 24 individuals to visit and receive a stamp from all participating distilleries represented on the 2018 paper map will be presented with a signed bottle from each of the participating distilleries at the 2019 Colorado Spirits Trail Event. You will also have the best stocked bar in the country and lifetime memories of your spirit adventure.

After getting all required stamps for The Challenge, take or mail your map to Rising Sun Distillery at 1330 Zuni St #J Denver CO 80204. The map will be verified and winners will receive an invitation to the 2019 Colorado Spirits Trail Event.

If among all the fun you forget to get your map stamped, save receipts or photos of yourself enjoying the distillery and we will use that instead of a stamp.
